

Website Packages

POWERED BY LEAUBEAU DESIGN

Give your IdeaRoom configurator a professional home with a fast, effective website built on a proven template. Designed for builders and manufacturers, these mobile-friendly sites are clean, conversion-focused, and ready to launch quickly—no custom code needed.

All Website Packages Include

- Mobile-optimized, responsive *Squarespace* website
- High-conversion enhanced branded copy
- SEO best practices and keyword targeting
- Strong CTAs directing to IdeaRoom configurator
- Domain setup and DNS configuration
- 3 months of support & maintenance

SINGLE PAGE SITE

Everything you need to establish a clean, credible online home for your building or manufacturing business. This single-scroll site gives potential customers a professional first impression and an easy path to your IdeaRoom configurator.

- Professionally designed single-scroll site
- Key sections: About, Services, Gallery, Testimonials, IdeaRoom CTA, Contact
- Brand-aligned fonts, colors, and imagery
- Up to 2 rounds of revisions

\$2,000

(Plus Hosting & Domain Fees)

MULTI-PAGE SITE

For those aiming to elevate their digital presence, this multi-page site helps you tell your full brand story, showcase services, highlight past projects, and build stronger trust with visitors—while driving traffic straight to your configurator.

- Standard 4 page design: Home, About, Services/Products, Contact
- Option for Gallery or Testimonials page
- Brand-aligned fonts, colors, and imagery
- Up to 3 rounds of revisions

\$3,500

(Plus Hosting & Domain Fees)

Let's Get You Online!

LEAUBEAU

Your IdeaRoom configurator is a powerful tool—but it works best when paired with a professional, easy-to-navigate website. The team at Leaubeau Design specializes in building polished, conversion-ready sites that make your business look as good online as it does in the real world.

Ask your IdeaRoom representative to get started.
We'll handle the rest—from branding and layout to launch.
